EDUCATION

Sri Venkateswara College of Engineering

Chennai, India

- Bachelor of Technology in Information Technology
 - Cumulative GPA: 7.518 / 10

2021-Present

Government Higher Secondary School

Virudhunagar, India

- Biology and Mathematics
 - Score: 85%

2020-2021

PROFESSIONAL EXPERIENCE

Smart Car parking System

- *Pantech E-learning* *December 2023 – January 2024*
 - Utilized IR sensors to detect vehicle presence in parking spaces.
 - Integrated IR sensor data to provide real-time updates on parking availability via the display board.
 - When all spaces are occupied, IR sensors trigger a notification informing drivers that the parking lot is full.

PROJECT

Gesture Comm: Bridging ASL and Text/Speech Communication

- Explored Machine Learning Model Boosting Algorithms
 - Achieved seamless integration of ASL with text or speech-based communication, employed advanced machine learning for a real-time interface with 98% accuracy.
 - Integrated MediaPipe for precise landmark detection, capturing facial expressions, hand positions, and body postures accurately, alongside NumPy for efficient mathematical operations, ensuring fast and accurate data processing.
 - Implemented LSTM (Long Short-Term Memory) networks for training sequences of frames, enabling the model to understand the temporal dynamics of sign language gestures

Face and Emotion Detection in VidOeo

- Analyzing Emotions in Video Content using DeepFace and OpenCV.
- Implemented functionality to load and process video files frame by frame using OpenCV.
- Utilized the DeepFace library to detect faces in each video frame accurately.
- Created rectangle boxes around detected faces and displayed the resulting video with emotion labels.

CERTIFICATIONS

- Java Foundation certification.
- GIT Foundation Certification.

SKILLS

- **Programming Languages:** Java, C.
- **Frontend Skills:** HTML, CSS, Javascript.
- **Database:** Mysql.
- **Tools:** Visual Studio Code, Apache net beans.

COMPETITIONS AND ACHIEVEMENTS

- **Hackathon:** In HackIT 3.0 24-hour hackathon, out of more than 38 participating teams, we made it to the top 9, and finally clinched the 3rd prize.

LANGUAGE

- Tamil
- English
