PROJECTS

PERSONALIZED DIET RECOMMENDATION SYSTEM

A content-based food recommendation engine enhances healthy eating by suggesting foods based on their nutritional content and ingredients.

CROP DISEASE DETECTION

Application with multi-lingual support to detect diseases in crops and provide appropriate solutions to treat them.

INTERNSHIP

Hwashin Automotive India pvt. It - (June 2023 - July 2023)

During my internship at Hwashin Automotive Pvt Ltd, I gained valuable insights into the automotive industry, particularly in the supply of car parts. I collaborated with various management teams, enhancing my understanding of operations and logistics. This experience allowed me to participate in projects that developed my problem-solving skills and provided hands-on experience in supply chain management. The supportive environment and guidance from experienced professionals enriched my knowledge and prepared me for future challenges .

SKILLS
