COURSEWORK

- Infosys Springboards-Java programming
- Java programming (NPTEL)

SKILLS

PROGRAMMING:

- JAVA, C, Pthyon

DATABASE:

- SQL

SCRIPTING LANGUAGES:

- HTML

TOOLS:

- visual studio code

LANGUAGE

- ENGLISH-Full Professional Proficiency
- TELUGU-Native Proficiency
- TAMIL

WORK EXPERIENCE

MARCELLO TECH

(intern) | Tiruchirappalli

- Duration :July 2023-Aug 2023(2 weeks).
- Skills : python and its real – time -applications.

PROJECTS

FGESTURE COMM: BRIDGING ASL AND TEXT/SPEECH COMMUNICATION | APRIL 2024

- Achieved seamless integration of ASL with text or speech-based communication, employed advanced machine learning for a real-time interface with 98% accuracy.
- Integrated Mediapipe for precise landmark detection, capturing facial expressions, hand positions, and body posture accurately, alongside Numpy for efficient mathematical operations, ensuring fast and accurate data processing.
- E Implemented LSTM (Long Short-Term Memory) network for training sequences of frames, enabling the model to understand the temporal dynamics of sign language gestures.

ADDITIONAL INFORMATION

- Papers Presented**-Showcased at **ISTE State level conference** emphasizing the advancement of environmental sustainability within the technology sector, specifically focusing on "**Green Cloud Computing.**"
- Hackathons** – In HackIT 3.0 24-hours hackathon, out of more than 38 participating teams, we made it to the top 9, and finally clinched the 3rd prize.

- NSS Volunteer** -Served as an NSS volunteer for three years, actively contributing to community service projects and embodying a commitment to social welfare.

SOFT SKILLS

- Leadership and teamwork
- Adaptable and resilient
