SOFT SKILLS

- Rapid learner
- Team work
- Problem solving skills
- Multi tasking
- Strong communication
- Leadership and Management
- Organisation skills

EDUCATION

B-Tech Information Technology
Sri Venkateswara College Of
Engineering
2021 - 2025
Current CGPA : 8.32

Higher Secondary
Oxford school , Cheyyar
2021
Grade 12 : 95%
Grade 10 : 95%

EVENTS

- Secured second price in Brainaholic event a national level technical symposium organised by CIT college of Engineering
- Secured third place in Research day 2024 at svce

PROFILE

As a motivated and detail-oriented software engineering student with a strong foundation in programming and problem-solving, I am eager to contribute my technical skills and passion for innovation to a dynamic team. Eager to continue learning and staying abreast of emerging technologies, I am committed to delivering cutting-edge solutions that address real-world challenges. Seeking an opportunity to enhance my software development expertise.

PROJECTS

Innovative irrigation using UAV and Machine Learning:

Enhancing agricultural sustainability by leveraging real-time data analysis to optimize resource usage, ensuring precise water distribution for increased crop yields and detect the malnourished crops.

Decentralized energy trading system

A Decentralized energy trading platform using blockchain to enable peer-to-peer transactions, optimize energy distributions and incentivize the use of renewable energy sources.

Centralized Placement DB website

Create a centralized placement portal for our college, utilizing React.js for the front-end, Node.js for the back-end, and MySQL as the database.

TECH SKILLS

programming : Java , C , Python

Technologies : React , node js , MySql , HTML , CSS , JS , MongoDB

INTERNSHIP

I worked as a front-end web developer at MARCELLO Tech Pvt. Ltd.

CERTIFICATIONS

- Machine Learning with python provided by IBM
- GIT Foundation Certification - Infosys springboard
- Python programming foundation certification - Infosys springboard
- Artificial intelligence - Infosys springboard
