HARRSHITHAA S

Final year,SVCE

PROFILE

I am a Computer Science student from Sri Venkateswara College of Engineering with a strong passion for front-end and Python development. As a developer, I specialize in creating efficient, innovative solutions and thrive on tackling complex challenges. I am eager to contribute to real-world projects where I can leverage my technical expertise and grow in an environment that nurtures my leadership and managerial skills, driving impactful results in the field of software development.
